Reverse Request to Restrict Disclosure of Directory Information

The items listed under *Directory Information* may be released in accordance with the Family Educational Rights and Privacy Act of 1974 (FERPA), as amended. Under the provisions of FERPA, as amended, you have the right to withhold the disclosure of *Directory Information*. Please consider carefully the consequences of any decision to withhold *Directory Information*. Should you decide to inform this institution not to release *Directory Information*, any future request for such information from non-institutional persons or organizations will be refused. See below for instructions.

Note to students about to graduate: The confidential notification will remain on your records after graduation. If you have requested that the information be withheld, **we will not be able to verify your degree to potential employers.** (See below to reverse your request to Restrict the Disclosure of Directory Information.)

UNE will honor your request to withhold the information listed below but cannot assume responsibility to contact you for subsequent permission to release that information. Regardless of the effect upon you, UNE assumes no liability for honoring your request for information to be withheld.
